PORTFOLIO ——

EXPLORE TECH

TECHNOLOGY SOLUTIONS PLATFORM

DESCRIPTION

Dedicated to the Hospitality and Travel Industries of the Middle East and Africa, ExploreTECH serves as an innovative digital marketplace. It boasts an expansive compilation of cutting-edge technology solutions, drawing from an extensive database comprising the most prominent Global Technology Providers. This platform is uniquely positioned to cater to the distinctive needs of these regions, offering a diverse range of tools and innovations.

By focusing its efforts on the convergence of technology and these industries, ExploreTECH facilitates seamless access to solutions that drive efficiency, enhance guest experiences, and elevate business operations.

AMB

E-LEARNING PLATFORM

DESCRIPTION

Droidor developed an E-Learning platform, which is the only second software in all of Ontario to be approved by Ministry of Transport of Ontario, to be a replacement for in-class learning for the G1 driving license. Since launching in 2019, Droidor has successfully deployed the software for over 70 schools in the Greater Toronto Area, with over 5,000 students using the software each month.

Droidor has since developed A customer support infrastructure for all the schools using this software, in which a call center has been setup in Pakistan to accommodate students and schools owners with any technical issues that may arise or any guidance that they may need.

CLIENTS TESTIMONIALS

WHAT OUR CLIENTS ARE SAYING

Droidor has helped us expand and grow rapidly of the past2 years. They have helped us cater for the various needs of our customers and merchants. They have always been on-point with planning & execution.

KENT KHO

CEO – Planet Kuching SDN BHD

The performance in terms of communications, meeting, ability, under standing and cooperation and deliverables to complete the tasks required in an efficient and speedy manner.

STUART NICHOLLS

CEO – Belfast Property Meet

These guys are absolutely the best in designing & development. They were helpful from the first interaction to the launch of our website through all the designing and development process. I highly recommend them.

USMAN AHMAD

CEO - NY212
